Local Storage vs Depository Storage

You no longer need to have your purchases shipped to a remote depository and rely on a piece of paper to confirm what you already own. SDBIC provides you the ability to conveniently and affordably insure those assets against theft, natural disasters and catastrophes while still being able to physically inspect, verify, touch and hold them.

Peace of Mind

SDBIC has partnered with AXA ART to offer this unique new insurance solution, which is available in all 50 states and the District of Columbia. AXA Art Americas Corporation products are underwritten by AXA Insurance Company, which maintains an "A (Excellent)" Financial Strength Rating and an "a+" Issuer Credit Rating from A.M. Best.
